

VENUE & TRAVEL INFORMATION

The 4th IWA International Conference on Rainwater Harvesting and Management (RWHM 2026)

 **Theme:** *Rainwater for Tomorrow: Water, Climate and Culture*

 Phnom Penh & Siem Reap, Cambodia (Hybrid)

 1–6 September 2026

 <https://www.rwhm2026.org>

1. Conference Locations

The conference will take place in two main locations:

Phnom Penh (Days 1–4: 1–4 Sep 2026)

- Main conference sessions, plenaries, and workshops
- Venue: **Royal Academy of Cambodia (RAC)**
- Activities: technical sessions, exhibitions, networking, and policy dialogue

Phnom Penh, the capital city of Cambodia, serves as a key hub for academic exchange and international collaboration, providing access to institutions and development partners.

Siem Reap – Angkor Region (Days 5–6: 5–6 Sep 2026)

- Technical and cultural program
- Field visits and knowledge exchange
- Exploration of traditional and modern water systems

Siem Reap offers a unique opportunity to experience water management practices in a monsoon-influenced cultural landscape, including the Angkor region.

2. Accommodation

Phnom Penh

Conference hotels in Phnom Penh have been selected and secured by the conference organizers. *Detailed information will be updated soon on the conference website.*

Siem Reap

The conference hotel in Siem Reap is **Bayon Era Hotel**.

 <https://bayonera.com/>

- A five-star hotel located in Siem Reap, offering convenient access to Angkor and key cultural sites
- Suitable for conference participants and group accommodation
